NAVIGATIONAL WARNINGS - DANGER AREA

"OP/D-268" PROHIBITED AREA OP/P-249

(Replaces NOTAM Class Two 24/86 & NOTAM Class Two 5/87)

1. Instances have taken place where in aircraft operating to and from Islamabad / Chaklala Airport and the transit flights have deviated from established ATS Route and violated the sanctity of danger area "OP/D-268". Aircrew are advised that their flights be planned keeping into account the weather developments and other contingencies and ensure that danger area "OP/D-268" is not violated in any case lest the safety of innocent lives on board is jeopardized.
2. Violation of prohibited area "OP/P-249" along ATS Route are at the increase. All aircrew once again reminded to adhere strictly to the routes published in AIP Pakistan. Non compliance will result in interception by armed fighters vide AIP Pakistan page RAC 5-1 para 11, RAC 1-9 para 4.1 and RAC 8-1 para 1.1.4.
