

## **PCAA won the Semi-Final against Bank Islami and qualifies for the Final of 32nd Challenger Corporate Cup**

PCAA lost the toss and was put to bat by Bank Islami.

PCAA opening struggled and the team was not able to utilise the mandatory field restriction. However, Usman Usmani played a captain inning and held the team together along with a little cameo of Arshad and Haris at the end to help the team post a target of 150.

PCAA came out strongly in bowling and restricted Bank Islami to 146.

In a nail biting match, Osama Siddiqui's bowling made a vital difference and helped PCAA qualify for the final.

Final will be played on 21st November between PCAA and Unity Textile at PCAA Cricket Ground.
